ARIZONA ASSURANCE SCHOLARS PROGRAM

COHORT TERMS AND CONDITIONS

STUDENTS ENTERING THEIR FRESHMAN YEAR FALL 2015

The Arizona Assurance Scholars Program at the University of Arizona (UA) is a financial aid program for low-income students in the state of Arizona. The program is designed to assist students in attaining a bachelor's degree by providing financial aid and support services. The Arizona Assurance Program partners with colleges and departments on campus to provide scholars with comprehensive programming from their freshman year through their senior year. The mission of Arizona Assurance is achieved through academic programming, mentoring, leadership, career development, and graduate/professional school preparation.

ELIGIBILITY

This is an invitation-only program. If you meet all the stated eligibility requirements below, you will be invited to submit the College Board PROFILE. Scholars will be conditionally selected to receive Arizona Assurance funding based on the information provided on the UA Admissions application, Free Application for Federal Student Aid (FAFSA) and the College Board PROFILE. This conditional selection may be revoked if A) you miss the deadline(s) to submit documentation requested by the Office of Scholarships and Financial Aid (OSFA) or B) a review of documentation (i.e., tax verification documentation) submitted to OSFA causes you to lose Arizona Assurance eligibility. Final selection for Arizona Assurance is based on a thorough review of all documents submitted.

- » Submit your FAFSA and a completed UA Admissions application (application, test scores, transcripts and application fee) by March 1 of your senior year in high school. There are no exceptions to this date. Admission to UA does not guarantee eligibility for the Arizona Assurance Scholars Program.
- » Earn a minimum overall unweighted GPA of 3.0 from the first six semesters of high school. Semesters 7 and 8 (your senior year) will not be considered in the GPA requirement for the Arizona Assurance Scholars Program.
- » Be an admitted, UA student and a resident of the state of Arizona.
- » Enroll in courses at UA beginning the semester immediately after graduation from an Arizona high school as a degree-seeking full-time freshman. Students graduating from high school in May 2015 must be enrolled at the UA in August 2015. Students

graduating from high school in December 2014 must enroll at the UA in January 2015 for consideration for Arizona Assurance funding for August 2015. Not enrolling at UA the semester immediately after high school graduation forfeits eligibility for consideration to participate in this program.

- » Demonstrate a total annual family income of \$42,400 or less on the FAFSA and be eligible for the Federal Pell Grant based on tax information provided. The total annual family income and Federal Pell Grant eligibility must be based on actual tax information. Income adjustments based on a Resource Re-Evaluation will not be considered.
- » The FAFSA must be official and free of errors. Any FAFSA corrections and residency corrections must be submitted by May 1 of your senior year in high school.
- » Submit all requested documents (i.e., tax transcripts) for financial aid verification by May 1 of your senior year in high school. These documents must be complete and free of errors. Submit all requested documents early to resolve any errors or issues before May 1. Tax extensions will not be accepted. All requests from OSFA will appear in your UAccess Student Center To Do List.

There are no exceptions to the dates listed above.
