Volunteers
Teen Court exists because of the dedication of its teen and adult volunteers!
- Teens act as jurors, clerks, bailiffs, defense and prosecution attorneys.
- Adults act as greeters, jury monitors, and exit interviewers.
- Attorneys and Judges serve as magistrates and as mentors to teens attorneys.

Training is free, but we do require a minimum time commitment for some of the above positions in order to participate in training! To volunteer, simply pick a date and contact Teen Court staff at 520-917-7874.
