COLLEGE OF EDUCATION
www.coe.arizona.edu

We will prepare you to become a leader in education!

Take a look inside to learn about our teacher certification programs.

“The UA College of Education does an outstanding job of preparing educators for our schools and departments. The graduates of the teacher preparation programs are excellent. We also depend upon the college to provide the highest quality graduate programs for our advanced positions in all specialty fields.”

John Pedicone
Tucson Unified School District Superintendent
