Doctoral Students Mentored (Current):

Zeynep Ylmaz graduation expected 2018

PROFESSIONAL NON-ACADEMIC EMPLOYMENT HISTORY

Program Director, New Medico Rehabilitation Services of Chicago (11/88 to 7/90). Administered and directed all aspects of functioning of comprehensive outpatient brain injury rehabilitation center; assured the clinical integrity and financial viability of center; administered all aspects of program development; hired, trained and supervised all management staff; ensured compliance with regulatory and accrediting bodies; marketed program to medical rehabilitation community; developed and monitored facility budget; established and managed contracts with medical consultants, universities, hospitals and related agencies; assured quality facility education and research programs; established and directed program philosophy, policies and procedures.

Director of Clinical Services, New Medico Rehabilitation and Skilled Nursing Center of Wisconsin (12/87 to 11/88). Directed and supervised all clinical services in a nineteen bed acute brain injury rehabilitation program; managed all aspects of program development; hired qualified personnel; provided supervision to all rehabilitation staff; ensured quality of rehabilitation program; developed facility policies and procedures and compliance with regulatory bodies; marketed program to medical and rehabilitation community; managed budget and ensured desired outcome was achieved in cost effective manner; provided in-service training and participated in facility research program.

Director of Education, New Medico Rehabilitation Center of Wisconsin (1/86 to 12/87). Directed and supervised the development of all educational activities for a community re-entry brain injury rehabilitation center. Designed and directed all aspects of Internship Program; coordinated all staff training activities; developed curricula for and presented training programs to staff and to other facilities; acted as liaison to University programs; coordinated research activities; reviewed and

approved requests for staff training programs; coordinated and provided resources for professional associations and recruitment, marketing and public relations; acted as Weekend Supervisor, overseeing all aspects of program operation and weekend programming.

Clinical Care Coordinator, Behavior and Family Restoration, New Medico Neurological Center at Cortland (12/84 to 1/86). Supervised psychologists, counselors and behavior therapists in brain injury rehabilitation center; developed curricula for patient and family group treatment activities; developed all Behavioral and Family Restoration protocols, policies and procedures; coordinated development of behavior management plans; recruited and hired new staff; provided inservice training to facility staff; performed marketing and public relations functions; acted as liaison to behavioral, psychiatric and vocational consultants.

Mental Health Therapist, Behavioral Medical Care of Tallahassee (8/83 to 12/84). Provided psychotherapy and case management services to adult psychiatric inpatients; conducted individual, group, and family counseling; supervised four mental health aides; performed liaison duties with community service providers. Inservice training included DSM-III diagnoses, psychopharmacology and other topics related to mental health.

Program Coordinator, Florida State University Independent Living Program (8/82 to 12/83). Administered program providing independent living skills training to developmentally disabled adults; coordinated grant funding activities; budgeted and expended program funds; supervised staff of seven counselors; trained total of fifteen counselors; monitored and evaluated client programming, progress summaries and reports.

Counselor II, Spinal Cord Injury Specialist, Office of Vocational Rehabilitation, State of Florida (11/78 to 8/82). Provided direct services to caseload of approximately seventy clients (about two-thirds spinal cord injured, one third general medical); evaluated medical, psychological and vocational information, provided individual and family counseling; arranged and coordinated services outside agency; placed clients in employment utilizing job development techniques and follow-up. Acted as Spinal Cord Injury (SCI) Program District Liaison. Provided full range of services to SCI clients including acute care crisis and adjustment counseling, coordination of transfer to rehabilitation center, recommendation and authorization of home and van modifications to ensure accessibility.

RESEARCH AFFILIATIONS

Co-Director, National Equal Employment Opportunity Commission (EEOC) Americans with Disabilities Act (ADA) Research Project, Virginia Commonwealth University 2007-2011.

Affiliate Scholar, University of Iowa Institute on Disability and Rehabilitation Ethics (IDARE) 2009-2015.

CONSULTING

State of Florida Division of Vocational Rehabilitation. Facilitate team redesign of New Counselor Orientation Program (2017).

University of North Carolina-Chapel Hill. Conduct an external review of the Rehabilitation Counseling Masters and Doctoral programs (2017).

University of Arkansas-Fayetteville. Conduct an external review of the Rehabilitation Counseling Doctoral Program (2013).

University of North Carolina. Review Doctoral Program Proposal for North Carolina A & T State University. (2013).

State of Arizona Rehabilitation Services Administration, Prepare and deliver workshop to RSA Rehabilitation Counselors & Supervisors on Ethics and the Americans with Disabilities Act. (2009-2011).

Kent State University, Kent, OH. Conduct an external review of Department of Educational Foundations and Special Services. (2007).

Virginia Commonwealth University, Richmond, VA. Content Expert for Development of Distance Counseling Theories Course. (2005)

American Institutes for Research, Washington, DC. Member, Panel of Experts for RSA-sponsored study of "The Demand for and Supply of Qualified Vocational Rehabilitation Counselors", (2001 - 2005)

Brian T. McMahon & Associates. Developed instructional training module for ElderLife Care Program entitled Philosophy of ElderLife Care. (2003)

University of Illinois at Champaign-Urbana. Provided consultation to Department of Community Health for personnel selection and strategic planning, (2003)

University of Tennessee Regional Rehabilitation Continuing Education Program. Trained RCEP personnel on how to provide professional training on the revised

Code of Ethics for Rehabilitation Counselors.(2002).

University of Wisconsin at Madison. Conducted an external evaluation of graduate programs in Rehabilitation Psychology at the University of Wisconsin, 2001.

Ocala Eye Surgeons, Ocala, FL. Strategic Planning with an Ophthalmology Physician Group, 2001.

Virginia Commonwealth University, Richmond, VA. Provided grant writing consultation to faculty, 1998.

Brooks/Cole Publishing, Pacific Grove, CA. Provide review and commentary on rehabilitation counseling publications, 1996-1998.

Dennis, Corry, Porter & Gray. Atlanta, GA. Consultation on Life Care Planning and Expert Testimony in Personal Injury Suit, 1996.

Briarwood Center for Independent Living, Gainesville, FL. Facilitated 3-year strategic planning process, Jan., 1996.

University of Tennessee Region IV RCEP. Provide training and consultation to traditionally black or hispanic university personnel on development of rehabilitation counselor training programs funded by Rehabilitation Services Administration grants (1995-1996).

National Head Injury Foundation, Inc., Washington D.C. Review and monitoring of program content for annual symposia for awarding of continuing education credits (1992-present).

Northern Illinois Medical Center, Develop pre-prospectus on issues related to outpatient program development, (1994-1995).

Florida Division of Blind Services (DBS). Consultation and case management for DBS clients who have traumatic brain injuries with severe visual impairments (1991-1994).

Florida Division of Vocational Rehabilitation, Gainesville, FL. Consultation on traumatic brain injury, including development of anger management and family intervention program (1992-1993).

Driltech, Inc., Alachua, FL. Consultation regarding compliance with Americans with Disabilities Act (1991-1993).

Cornell University Program on Employment and Disabilities, Ithaca, New York. Development of self-directed educational module on the Americans with Disabilities Act (ADA) and training on the ADA at Rutgers University (1992).

Brian T. McMahon & Associates, University of Wisconsin-Milwaukee, and Paul M. Deutsch Press. Assisted in development and production of educational videotape entitled "TBI: Facilitating Return to Work: (1992).

Neurocare, Inc., Concord, CA. Program development for Brain Injury Community and Home Reintegration Program (1991-1992).
